### Teacher Info

Name: Christel Bochet

### Listing details

## Course Information

Course name: Theater Acting Course  
Short Description: I will make your acting potential come out  
Description: During the acting programme, I'll promote talent and focus on individually mentoring and training actresses and actors so that they can move in the international context and flexibly apply their skills in drama, theatre, film and television, digital media, as well as in new forms of presentation and formats.

With a combination of theory and hands-on experience, we focus on preparing you for a successful international career in Acting.
